# RPI Best Practice Standards® Awards

The RPI Best Practice Standards® Awards honor organizations who implement the RPI Best Practice Standards®. They are based on knowledge gained from academic literature, professional conferences, and shared experiences in developing successful recognition programs. Standards are designed to be useful for the creation and evaluation of recognition programs.

**Use the Submission Guide to get detailed information on what should be included in your nomination.**

Entry name

Check the standards below for which you are applying:

- Standard 1: Recognition Strategy
